The start time above should reflect the start time of your event. Your DJ will show up at least one hour prior to this start time to set up equipment. Your DJ cannot play music past the time of your hall rental – some venues are very strict on this! If you expect guests to arrive prior to the start time listed, please note this in the comments. The rate listed is for actual time music is played – you are not charged for the time it takes to set up or tear down equipment.

Motor City Sound, LLC is licensed and insured in the state of Michigan and the service provider (DJ) takes sole responsibility for any damage sustained to the equipment during your event. Neither you nor the venue is liable for any damage to the equipment with few exceptions.

To guarantee the music you've requested will be available, please return the music packet at least 14 days prior to your event. If the venue is farther than 50 miles from the 48043 zip code, a travel fee of \$50 per additional 50 miles will be required.

You are responsible for ensuring that the DJ has reasonable access (within 100 ft.) to a power source, 110 VAC.

For outdoor events, you are responsible for providing shading (such as a portable canopy) for the DJ equipment. Direct sunlight or excessive weather conditions can cause irreparable damage to the equipment and the service provider (DJ) reserves the right to refuse service if appropriate covering is not provided, at the loss of your deposit.

Deposits and other payments will NOT be refunded due to voluntary cancellation within 30 days of the event. The service provider (DJ) maintains the right of discretion for extreme situations.

If the time agreed upon above is exceeded, an additional fee of \$100 per hour applies, at the choice of the payer/customer.

By signing below or initiating a deposit to reserve your date, you agree to pay the total amount due by or on the date of the event. You agree that the personal information you provided is true and current to the best of your knowledge. You agree that your personal information will not be used for any other purpose than to fulfill the obligation to you as the customer, and your information will not be sold or given to any other party.

Thank you for your business!
